

## Presentation Skills

*Becoming a Better Presenter*

### What You Will Learn:

- **The critical nature of understanding your audience and gauging their interest level**
- **How to gather, organize and present the information effectively while using your own style**
- **Proven techniques for developing a dynamic presentation that holds attention**
- **Valuable tips for efficient preparation, timing and transitions**
- **Effective use of your physical presence, voice, eye contact and visual aids**
- **Why non-verbal communication is a critical part of all presentations**

## Connect with Audiences for Greater Impact

Drake Resource Group's Presentation Skills Workshop is an excellent course for both new and veteran presenters. Whether your audience is small or large, this course provides practical information and tips you can use to effectively convey information or training topics.

### Who Should Attend?

This course is designed for individuals who would like to learn practical information and techniques to become more skilled, polished and dynamic presenters.

### What Past Attendees Have Said...

*"This course provided me with new insight and tips for presenting to audiences".*

*"I am much more confident and effective as a result of taking this course!"*

### Our Instructors

This workshop is delivered by facilitators who have experience in delivering effective communication, and in working with the diverse needs of adult learners.

### Duration and Format

This course uses real life stories and examples that will enhance the learning experience. The base course of this instructor-led workshop contains seven modules, lasting approximately six hours. Two additional modules can be customized to meet the specific needs of your organization.

### How to Register

Three or more participants from the same organization are entitled to a 20% discount. The workshop can be customized to meet the specific needs of your organization. To offer the course for your organization or to license this content, contact us at [info@drakerg.com](mailto:info@drakerg.com).
